

# Father of spirits

Kenneth S. Procter

1

Father of spirits, this my earnest  
plea,  
I bring again and yet again to Thee.

2

Fulfil me now with love that I may  
know  
A daily inflow, daily overflow.

3

For love, for love, my Lord was cruci-  
fied,  
With cords of love He bound me to  
His side.

4

Pour through me now; I yield myself  
to Thee,  
O Love, that led my Lord to Calvary's  
Tree.
