

Trumpets, bugles of the Lord

Rev. E. Husband (died 1908)

1.

Trumpets, bugles of the Lord,
Sound the mighty battle word,
Sound it till our flagging spirits
Rise and answer, "Hitherto,
God of battles, Thou hast led us,
Strengthen us to carry through".

2.

Trumpets, bugles of the Lord,
You have sounded, we have heard,
"Captain of our souls", we answer,
"Work in us to will and do,
Though the hosts of hell oppose us,
Strengthen us to carry through".

3.

Trumpets, bugles of the Lord,
Sound again the glorious word,
Sound it if the flesh would falter,
Seek to smother and subdue,
Hold us fast and hold us faithful,
Strengthen us to carry through.
