

You see no sign

Peggy S. Palmer

Verse 2 last line

You see no sign, you hear no voice,
And yet I say to you, Rejoice,
Your Captain Christ is in command,
And the dawn cometh, it is near at hand.

2

You do not see the legions crowd,
For you no trumpet bloweth loud,
Unseen the shining Hosts of Light
March forth to shatter the long glooms of night.

3

But none the less they come, they come,
No need is there for beat of drum;
The promise soundeth strong and clear,
Behold He cometh, let your hearts take cheer.
